

Saturday, February 14, Valentine's Day Ride

(barring rain, snow, or gale-force winds.)

TULE PEAK TRAIL RIDE, soon to be Mary Bono-head's wilderness legacy.

Come ride an area you've probably never seen except from afar and see for yourself why Mary Bono-Mack wouldn't know wilderness if she fell off her skis into it.

This is a semi-loop of two trails, the **Tule Peak Trail**, and **Tom's Camp Trail**. We will have lunch at Tom's Camp. Shoes on ponies not necessary, but this is a moderate trail with plenty of breather-breaks. This is a great conditioning trail.

Directions:

From Temecula: Hwy 79 south to Hwy 371, head up hill to Bradford Rd, turn RIGHT .
From Anza: Hwy 371, west to Bradford Rd, turn LEFT. (Bradford Rd. is directly across, (south) from Lake Riverside west gate.)

Bradford Rd. to Tule Valley Rd. (Must go right, road is paved then turns to dirt at Hernly) Tule Valley Rd. to end, (approx 1 1/2 mi.) Left on Evening Star Rd. Evening Star Rd. to end (approx 3/4 mi) turn right on Carrot Lane. Carrot Lane to Deer Springs Trail, turn right. Follow BCHC signs to parking (will be on your right) Ride out at 9:30 am sharp.

Please RSVP to Tom & Cathy, (951) 763-0405 or lecil_hadley@hotmail.com we need some idea as it pertains to parking. Bring a lunch, "approximately" 4 hour ride round trip. Ride out at 9:30 sharp!!!!

GOOD IDEAS.....

THEY'RE a USELESS distraction, **WITHOUT IMPLEMENTATION!** - "GOT FOLLOW-THRU"??????

(Life rarely goes your way! PLOD ON.)

JOIN US for our next Volunteer WORK-PARTY on

THE California Riding & Hiking Trail.

SUNDAY, FEBRUARY 22nd, 2009

MEET @ 9AM. ON EL TORO dirt road at its obscure intersection with Burnt Valley Rd on the top of Table Mountain , east of ANZA.

We'll be rediscovering and reworking the CR&HT from El Toro road thru to Highway 74 near Paradise Corner Café, with some serious gully-brushing along the shoulder of Burnt Valley County Road, requiring one chain-saw and some volunteers with loppers. This will be another roving, walking and caravanning work-party, winding up at the Café for either lunch or dinner depending on our turn-out and work-load. Painting the yellow-top trail posts, and putting up any stickers we may have in-stock can be done by any kids or elderly volunteers that may show up.

Non-members, friends and strangers are all welcome since it is **The People of the State** that owns this 1945 State Trail. For further information Contact Pete Spencer (760)782-3747.

WON'T WORK? **At least, come** out and Ride past us while we work. We love it when people USE our public trail easements.
